About Best Lawyers

Founded in 1981, Best Lawyers highlights the extraordinary accomplishments of those in the legal profession and serves as the most reliable, unbiased source of legal referrals worldwide.

Recognition by Best Lawyers is based entirely on peer review. Our methodology is designed to capture, as accurately as possible, the consensus opinion of leading lawyers about the professional abilities of their colleagues within the same geographical area and legal practice area.

Best Lawyers employs a sophisticated, conscientious, rational, and transparent survey process designed to elicit meaningful and substantive evaluations of the quality of legal services. Our belief has always been that the quality of a peer review survey is directly related to the quality of the voters.

Best Lawyers: "Lawyer of the Year"

Additional recognitions are also awarded to individual lawyers with the highest overall peer-feedback for a specific practice area and geographic region. Only one lawyer is recognized as the "Lawyer of the Year" for each specialty and location.

Best Lawyers: "Ones to Watch"

These awards recognize extraordinary lawyers who have been in private practice for less than 10 years in the United States. Like traditional Best Lawyers awards, a Best Lawyers: Ones to Watch recognition is based entirely on peer review.
