

COMMERCIAL REAL ESTATE DEVELOPMENT

Large-scale developers, real estate funds, institutional owners and operators, Real Estate Investment Trusts (REITs) and other business entities involved in various real estate assets turn to Cummings & Lockwood for advice and counsel at every stage of their projects.

Our work ranges from the initial acquisition and assemblage of properties to joint venture structuring and formation, equity investments, project development, construction and permanent financing, equity offerings, and the leasing, management and sale of all types of real estate developments.

Cummings & Lockwood - *The Choice* for sophisticated legal counsel.
